

Corporate Animal Adoption Pledge

Why ADOPT an animal?

It's a wild way to support the animals you care most about at the Hope Zoo. 100% of proceeds from each adoption package supports animal care, education programs and wildlife conservation for some of our local endangered and threatened species. Adopt-an-Animal funds are used for special animal care, enrichment, special diets, minor exhibit improvements and zookeeper training.

Show your support for the Hope Zoo by becoming a wild parent to one of the animals participating in the Adopt-an-Animal Program.
